Let me introduce you to some of my comrades who have agreed to fight with us.

This is Finn. He's the strongest guy we have, but, you know... only in the water. So his relevance is a bit moot.
Sup.

This is Ozzie, the clean-your-clocktopus. He's highly skilled in unarmed combat.
But look at all the arms he has!
Ironic, right?

And finally, here's Mr. Crabston, our deadliest assassin.
Pahaha! Seriously?
A little too cute for the face of death, don't you think?

Oh, y'think so, you canid bastard?!
I'll kill you right here and now! EN GARDE!!
